Temporary suspension of membership

A season ticket may be temporarily suspended only by medical and facultative prescription, and medical certification must be provided certifying that it is impossible or advisable to stop practising this sport for a specific period of time. There will be no withdrawals or suspensions for reasons other than those specified. If the medical certificate advises the definitive suspension of the practice of this sport, the subscriber may transfer his remaining subscription time to a third party. All these cases must be notified to the golf course management.

Members Obligations

All subscribers are obliged to comply with the following obligations:

To respect at all times the instructions and decisions of the caddie masters, starters and marshals.

To pay the green fees stipulated according to the timetable.

Respect the tee markers and course signage. Likewise, to respect the facilities and the care of the golf course (fixing bunkers, replenishing chips).

Do not approach the green with the buggy and always respect the directional signs.

Maintain good manners and courtesy with other members and customers of the golf course. As well as with the employees of the course.

Failure to comply with these rules and the conditions stipulated in the buggy subscriptions, private buggy passes, rentals, etc., may result in the loss of subscriber status or the termination of the contracted services.

Rental Conditions for Subscribers**Buggy subscription**

The buggy subscription is valid for one year.

The buggy subscription is personal and non-transferable.

Only the buggy subscription holder can apply for a buggy subscription.

The number of buggies available on the golf course is not unlimited, so it is essential to book the buggy in advance to avoid not being able to use the buggy if there are no buggies available.

Private buggy pass

Any private vehicle (buggy, motorbike, board) can only be used to play on the golf course if you have a buggy pass. With the private buggy pass, the vehicle will be identified with a badge that will give conformity to its use on the golf course. Buggies or vehicles that have not contracted a buggy pass will not be allowed to play golf. They will only be allowed entry if they are used as a means of transit. The private buggy pass is valid for the year 2022 irrespective of the date on which it is contracted within the year.

Games of 4 players with more than 2 buggies are prohibited, irrespective of whether the buggies are for private use with a valid buggy pass or if they are buggies for hire. This is for the benefit of the course and therefore for the benefit of all players.

Buggy hire

Subscribers have the possibility to rent buggies at a very reduced price. This privilege is for the exclusive use of subscribers. Buggies rented by subscribers may not be re-rented or given to third parties, but may be shared with another player, provided that the subscriber is the driver and therefore responsible for the vehicle.

Lockers

Lockers in the clubhouse and changing rooms are limited in number and subject to availability. These lockers will be issued in order of the number of subscribers contracted until stocks last.
